

## Stall Booking Rules

- Stall booking will be by mail only for a designated week, and will be accepted only for the dates advertised. Dates will be advertised through the newsletter, website and Facebook group. Stall forms will not be received prior to the booking time. Any stall forms post marked after the advertised dates will not be accepted.
- Only paid members can buy their stall(s) at the designated booking time.
- Members can pay by cash, cheque or money order, however since all forms must be submitted by mail the preferred payment method is by cheque or money order. No post-dated cheques.
- If paying by cheque, the stall isn't guaranteed until the cheque is cleared by the bank.
- Members are encouraged to provide three stall choices, and to make note of any special circumstances that affect their stall choice.
- A 'Stall Committee,' with a minimum of 3 board members, will try to accommodate your first choice on a first come/first serve basis, but the final decision will be at their discretion based on the stalls suitability to the horse. Note: first come/first serve will be based on a random draw of stall forms from each day the mail is collected.
- There will be 5 unspecified box stalls that will not be available to be reserved. This leaves a few open stalls for people that do not plan to attend every show and leaves room for people travelling from away. These stalls will still follow the general stall rules.
- Members will forfeit their stall and payment of the stall if the entry is not post-marked by the deadline and it will be reassigned for that show, following the general stall rules.
- There will be NO REFUNDS for these stalls. If member had entered for the show by the deadline, and will be asking for a refund with a vet certificate, the refund will not include the stall fee.
- A member cannot transfer the stall to another member for a show.
- Members will be notified which stall they have been assigned and will get the same stall for the entire season.
- This does not include your stall for Exhibition Week.
- **Will be received BY MAIL ONLY. No exceptions.**
