- Preferred payment method is by cheque or money order. No post-dated cheques. Please make payable to 'Cape Breton Western Riders Association.' Stalls are not guaranteed until cheque is cleared.
- The Stall Committee will try to assign your one of your choices on a first come/first serve basis, but the final decision will be at their discretion based on the stalls suitability to the horse/pony. Note: First come/first serve will be based on a random draw of stall forms from each day the mail is collected.
- There will be 5 unspecified box stalls that will not be available to be reserved.
- **Members will forfeit their stall and payment of the stall if their entry is not received or post-marked by the entry deadline and it will be reassigned for that show, following the general stall rules.**
- There will be NO REFUNDS for these stalls. If member had entered for the show by the deadline, and will be asking for a refund with a vet certificate, the refund will not include the stall fee.
- A member cannot transfer the stall to another member for a show.
- Members will be notified which stall they have been assigned, and will have the stall for every show.
- There are only so many stalls, so if the number of requests exceeds the number of stalls available, those who did not get a stall will be notified asap.
